Growing Communities Grant Application

Raymore Credit Union is committed to building a better community. Our current members and the generations to come will benefit. We provide support and positive change to our communities. By developing the **Growing Communities** grant program in 2009, we have created a legacy of community based projects.

At Raymore Credit Union we provide two types of funding:

1. **Sponsorships & Donations (under \$1500)**
2. **Growing Communities Grant (\$500 - \$5000)**

Both of these require their own application; please ensure you select the appropriate form for your request. Sponsorship applications are accepted throughout the year. If you have any questions, email marketing@raymorecu.com - we're happy to help!

We invite applications from non-profit community groups who are spear heading projects to build, expand and/or improve local facilities. Capital projects will be the focus of our program.
