

Naughty, not Nice Scams of Christmas

LOTTERIES, SWEEPSTAKES & CONTESTS

Many Canadians are lured by the excitement of a surprise win and find themselves sending huge amounts of money to claim fake prizes.

Check: Did I enter this contest? You cannot win money or a prize in a contest unless you enter it. If it seems too good to be true, it probably is!

HEALTH AND MEDICAL SCAMS

Medical scams prey on human suffering. They offer solutions where none exist or promise to simplify complex health treatments.

Check: If this really is a miracle cure, wouldn't my healthcare professional have told me about it?

MOBILE PHONE SCAMS

Mobile phone scams are difficult to recognize. Be wary of unknown numbers that contact you & be careful of what you download onto your device.

Check: Do I have my mobile device password protected?

EMERGENCY SCAMS

Target grandparents and play on their emotions by pretending to be a grandchild in serious trouble, then rob them of their money.

Check: Check in with your family & grandchildren first to see if anyone else knows about this situation.

DATING & ROMANCE SCAMS

Despite the many legitimate dating websites, there are many dating and romance scams. Scammers build up trust & a relationship, then make up a story and ask for money.

Check: Would someone I have never met really declare their love for me & then ask for money?
