Making a Splash in Cupar!

The Cupar Playground & Pool Project received **\$8,000** from our Growing Communities Grant!  Since starting their project in 2013, the committee has transformed the community space with pool upgrades, a new playground and a gazebo.

Thanks to this grant, they've added two sheds - one for chemicals and one as a new pool entrance. Now they are working toward their next big goal: a waterslide! We love sponsoring projects like this!
