Big Wins On and Off the Ice at George Gordon First Nation Arena!

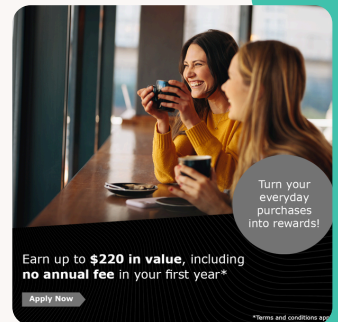

George Gordon First Nation Arena was a recipient of Raymore Credit Union's 2024 Growing Communities Grant. With **\$11,000** grant funding, they gave their kitchen a much needed upgrade with new supplies, equipment and appliances to serve up some major community spirit all winter long. Children now have a place to stay active, make new friends, and be part of the GGFN minor hockey teams — building skills and memories that will last a lifetime. And it's not just for the kids — adults and families have been enjoying quality time on the ice too, skating together and staying active all season long. The arena has once again become a hub for fun, fitness, and community connection. Since 2009, we've invested over **\$320,000** back into our surrounding communities through grant funding. From local upgrades to big community dreams, we're here to help make it happen — because when our communities grow, we all grow together. 🌱

Premium Rebate + Flex Rewards Offer

Choose the card that fits your lifestyle and receive a **\$120** Annual Fee rebate for the first year and earn up to **10,000** Flex Rewards points when you're approved for one of the eligible cards by April 30, 2025.

Board of Director News

Three Board of Director positions were up for nomination this year. We are pleased to have Jennifer Senft and Pamela McNab-Kinequon returning to the Board. Join us as we welcome new Board member Travis Linford! Many of you may know Travis as "the WestJet Pilot", but there's a lot more to him than that. Get to know Travis a bit better by reading his full bio at www.raymorecu.com/index/ruc/contact-us/board-of-directors
