Don't let holiday scammers steal your cheer!

The holidays are a busy time for everyone — including scammers. As more of us shop, donate and connect online, fraudsters ramp up their efforts with fake websites, phishing messages, delivery scams and too-good-to-be-true deals.

Top Habits to Protect Yourself From Holiday Scams:

1. **Pause before you click** - Don't open links or attachments in unexpected emails or texts, especially about deliveries or payments.
2. **Shop only on trusted sites** - Stick to reputable retailers, check URLs carefully, and avoid deals that seem "too good to be true."
3. **Use secure payment methods** - Pay with credit cards or trusted payment apps; avoid gift cards, wire transfers, or crypto.
4. **Verify before you donate** - Research charities directly, and don't give in to pressure to donate immediately.
5. **Monitor your accounts** - Set up transaction alerts and review statements often to spot unusual activity quickly.

Fired Up For a Season of Giving!

Co-op Week brought our community together in a big way! Teaming up with the Last Mountain Co-op, we hosted a BBQ pulled pork lunch that raised **\$2,000** for the Raymore Fire Department. Inspired by the generosity shown, RCU matched the donation and extended support across our communities - donating **\$2,000** each to the **Cupar, Dysart, Lipton, and Semans Fire Departments**.

Tis the season for giving, and there are no more deserving organizations than our local Fire Departments, whose dedication and service are vital to the safety and strength of our surrounding communities. Thank you to everyone who joined us, supported the event, and helped make a meaningful impact close to home.

We're excited to announce our 2025 Growing Communities Grant Recipients. Congratulations to:

- \$4,100** Cupar Library
- \$5,000** Punnichy Elementary Community School
- \$5,000** Punnichy Community High School Nutrition Program
- \$10,000** Raymore Minor Ball
